Floor Mounted Cabinets

Standard cabinets are 500 mm or 1000 mm wide. They are 520 mm deep and can be specified to fit a finished height of 900 mm for stand to work at benches, or 750 mm for sit to work at benches.

All cabinet doors are fitted with hinges that open through 170 degrees. Toe kicks allow for the floor vinyl to be covered for sealing.

Non - standard cabinets are available on request.
